

SPRING REPORT 2019

1. Right on the sidewalk - deliverance in the name of Jesus

A somewhat elder woman, suffering from CPO, a severe lung disease, was touched by the Holy Spirit. She walked down the sidewalk, and in her handbag she had the oxygen device with which she was connected. The tubes came off her two nostrils. Touched by pity I spoke to her and prayed for her. Gratefully, this woman accepted the prayer. The Holy Spirit told me that it is important for her to forgive, so that she may have peace and salvation. Thereupon she confessed, that for her the most difficult thing is to forgive herself. But even that should NOT be a problem through Jesus Christ.

I led her into a prayer and she, thank God, experienced "relief."

I also did deliverance service with her and helped her, to break the generational curses, which afflicted her and led to this serious illness.

In addition, the the LORD gave, that I could convey understanding and knowledge out of the Bible concerning the principles of blessing and curse. Then I commanded the demons, in the mighty name of Jesus, to leave her. She coughed and some dark forces had to leave!

Then she confessed: "It feels lighter - physically and spiritually." The woman could breath more easily and she testified: „Even spiritually it is better and lighter!“

She got a new boost and took a few steps. In doing this, she clearly felt positive effects of change.

GLORY AND PRAISE BE TO OUR MIGHTY GREAT GOD IN HEAVEN!

2. Easement

Some lady I served with deliverance was burdened with anger, bitterness and hard-heartedness. She had a repentant heart and a teachable mind. So the LORD touched her strongly and gave her what she desired. „What the wicked fears shall come upon him; **but the desire of the righteous shall be granted.**“ Prv. 10,24

She was released from the demons that made her incapable of forgiving other people wholeheartedly. Hard-heartedness and bitterness had to leave her in the name of Jesus. Moreover, the LORD set her free from a susceptibility to get cancer. Probably that had occurred in her generation line. This deliverance was very important for her, because prophylaxis is better and smarter than therapy. Additionally, the Holy Spirit brought to light that she was at risk of suicide. She confessed that, too. God is faithful, and this is exactly where God started. Demons of self-destruction and those, who caused thoughts of suicide, left her. Hallelujah! Praise be to the LORD!

HONOR AND PRAISE AND ALL THANKS BE TO THE LORD.

She testified: During the deliverance bitter bile came out of her, yellow acid left her.

GLORY BE TO OUR LIVING GOD!

I served her over about a distance of 400 km (on the phone). NO man can do this on his own! This is a MIRACLE through the MIGHTY POWER OF GOD that works WITHIN US.

„For the kingdom of God is not in word, but in POWER.“ 1. Cor. 4,20

3.) Confidence IN YESHUA

There was a woman who was very desperate. She took part in one of our regular healing and deliverance services. She confessed that she had received deliverance in the service and she stated, that this had the following result: „From hopeless to charged with confidence again.“ Well, that's praiseworthy for our Great Almighty GOD!

THANKS, PRAISE AND HONOR BE TO YESHUA, OUR GREAT, LIVING GOD!

4.) No need for surgery!

I, Dana, met some lady, who was also taking part in a „whole-grain-buns baking course“ of a

nutritionist (my former school friend). She was very desperate. Tears were flowing down her cheeks as I prayed for her and laid my hand upon the area of the heart. For it is written in Mark 16:16-20: Unto those who believe the following signs will follow: „*The one believing and being baptized will be saved. And the one not believing will be condemned. And miraculous signs will follow to those believing these things: they will cast out demons in My name; they will speak new languages; they will take up snakes; and if they drink anything deadly, it will in no way hurt them; they will lay hands on the sick, and they will be well. Then indeed, after speaking to them, the Lord was taken up into Heaven, and sat off the right of God. And going out, they preached everywhere, the Lord working with them and confirming the Word through the miraculous signs following after.*“

...they will lay hands on the sick, and they will be well.

I did that, and it got better. The lady stated, touched inwardly: "That such a thing is existing! Such love...! There you are praying for me!" For her it was special and exceptional, because I didn't know this woman and felt such agape love for her. The Lord gave that at that moment. She felt it and it did well to her soul. Approximately 14 days later, this woman came at a further seminary concerning nutrition, towards me, radiating with joy, and STATED: "It has helped! The Prayer helped! I went to the doctor and he said, that I don't need surgery!" **Yes, GOD CAN DO THAT!**

Referring to this, we can only marvel and praise God and thank Him abundantly!

We have a living God who is healing and delivering!

ALL HONOR BE TO HIM ALONE FOREVER. AMEN

Concerning the testimony: This lady was broken inside and didn't know the Lord at that time. She heard a testimony that I was telling her about some woman for whom I prayed, whose knee was out of order but was stabilized after the laying on of my hands. The knee DIDN'T have to be operated on subsequently, although the surgery date had already been fixed and a surgery was to be performed.

The woman to whom I reported this had equally severe knee pain and her doctor was wondering if she should have surgery. I testified to her about the living God and the woman took courage because of that. She allowed me to pray for her - for her knee, her heart and her respiration. She received healing and cried during the prayer. The LORD lifted her up again.

Glory and thanks be to the Lord! Her name is Petra and she's single. Please pray for her, for her salvation and for guidance in life in general. Thank you so much.

5.) Release from addictions

One lady, who attended our congregations' service, was delivered from various addictions.

Additionally, she wrote: "Yesterday I have received such a peace and so I fell asleep in peace. Today, there's no anger or jealousy jeof other people."

6.) Sermon for youngsters on the sidewalk

Some young man passed by me and the LORD gave (in my heart) to speak to him.

He was about 13 years old. I knew that, because God made it known to me. It's my mandate, to lead such young people to the Lord. Most of them are between 12 and 13 years, when the LORD leads them across my way. I asked him if he believed in Jesus; his position was "middle" and he didn't yet decide firmly. He was indecisive. I knew then, it's my mission there to help and encourage him to go forward in faith. He listened eagerly. Later, his friend, a Muslim and a few minutes later then some more lads joined in and listened. The crowd then split up again. Some continued to listen to the sermon right on the sidewalk and others left. In the end, again these two young people stayed and the Lord used me in this situation to help sowing a good seed of faith. I encouraged them to buy themselves Bible and to follow Jesus. **For HE is the WAY, the TRUTH, and the LIFE, and NO ONE can come to the living Father God than through Him.**

At this point I want to encourage you, dear reader, to take a closer look at the current situations in your life and to joyfully use them to tell other people about the Lord Jesus.

For there comes a time when no one can work. "Making good use of the time" **John 9,4: „I must work the works of Him who sent Me, while it is day. Night comes when no man can work.“ Eph. 5,16:**

„Buy up your opportunities, for these are evil times.“ Colossians 4,5: „Behave wisely in relation to the outside world, buying up your opportunities.“

7.) Encouraged in the forest

A boy sat on the edge of the forest and rolled himself a cigarette. The Holy Spirit drew my attention to addressing him and telling him about the to the living God, Jesus. So I turned round again and went past him. He was greeting me, even though we didn't know each other. Since I had no impression and no words for him, I just walked right past him. On my way back, he was still sitting there. Then I got words to say to him. It touched his heart. I told him, that JESUS is able to heal and deliver. The LORD also gave me a testimony to bear witness of my own healing.

Then, he opened up and told me, as I looked at him: "Exactly this is, what I need right now!" He said that his father died one year ago and he needed healing. Now I knew that it really was the Holy Spirit who spoke to me and sent me back to that boy.

I prayed for his healing and also drove out demons, who want to bring destruction and false escapes because of soul pain. He was coughing.

Then I gave him a little card with a informations, so that he could find out more about Jesus and the steps to Jesus.

The boy (approx. 16 years) had to leave, because his bus, which stopped not far from the place I met him, was departing in a few minutes. He had to catch it. But there was enough time for Evangelism and prayer, for his healing and for deliverance. Glory, praise and thanks be to God!

We have to be OPEN to the Holy Spirit - in the midst of everyday life - for His work. IT IS WORTHWILE.

Father, OPEN OUR EYES!

So that we do not walk blindly through our surroundings, but RECOGNIZE the needs of others, pray for them and help them.

Let the Holy Spirit guide you! Don't go by what your eyes see outwardly, BUT focus on your inner eyes!

1. Sam. 16,7b.....“For man looks at the outward appearance, but Yahweh looks at the heart.“ Let yourself be guided by your inner eyes. Let mercy guide you.

Matthew 12:7 „But if you had known what this means, (Hosea 6, 6) ‘I desire mercy, and not sacrifice,’ you wouldn't have condemned the guiltless.“

8.) TESTIMONY of a sister in faith

„I am writing these few lines to give God the glory about His love I have I've experienced through your ministry. For I am mighty blessed by your ministry. First I was able to experience how for years, since I was allowed to know this ministry, I have practically experienced the love of God through letters of encouragement and a care package in the psychiatric clinic, as well as visits from both, even from Dana alone when I felt the worst, and they prayed for deliverance for me. It was never for a coffee chat, but always for practical help and love. This is the love of which Jesus speaks in Matthew 25:35-36 *„for I was hungry, and you gave me food to eat. I was thirsty, and you gave me drink. I was a stranger, and you took me in. I was naked, and you clothed me. I was sick, and you visited me. I was in prison, and you came to me.“*

I would like to thank the Lord for His love and goodness as well as His care all the time and on this occasion also for the ministry of His two faithful servants, that the Lordh has called into existence and has mightily used. If this service hadn't been there, I would have lost all courage and hope. THANK YOU MY GOD AND MY JESUS - ALL THE GLORY BE TO YOU MY GOD. I'm in a pretty difficult and challenging situation right now and I needed the advice and help of God through Dana and Martin again.

They have served me again, in twos to be more effective, so they complemented each other. I was afraid of God and ran away from Him. I also realized that I was hiding and wasn't honest. I was very unhappy doing this and glad to have these two prayer partners. They prayed, and, under the wise guidance of

God, led me to renounce the esoteric spirit and false doctrine. Immediately I had severe pain in my chest in the area of the sternum. They drove out demons of pride, anger and of false religion. Pride, who denies all things and talks them to pieces; anger who defends pride, and demons of religiosity, who controlled and supervised me left me by the power of God. God told me through His servants that He has liberty, He doesn't force and He has patience.

God set me free bit by bit through this knowledge. He showed me through that, in what kind of bondage I had come inwardly, because I had given power and authority over me to a religious person. ISN'T DADDY GOOD? HALLELUJAH, THANK YOU, HEAVENLY ABBA. I was very grateful, and asked if I could attend service the next day again. This was today. Full of expectation I awaited Gods work. I was moved strongly and I manifested quite strongly today. As God through Dana addressed my esoteric past, my dependence on religious people or spiritual persons (Maria, Catholicism), alcohol, gluttony and lies, the demons, even those from generational curses, went out with screaming and crying as well as with spitting. He worked, when fear of hell and loneliness were addressed. The demons screamed, I had to vomit slime and felt pretty empty and exhausted, yet more free. As a side effect of all of that, an external hemorrhoid was healed and came back into divine order. I guess that healing happened because my internal pressure had decreased. I continued to receive healing touch for my ankles, feet and kidneys.

I THANK GOD, THAT HE CALLED THIS SERVICE INTO EXISTENCE.

I THANK GOD FOR HIS MERCY, HIS LOVE HIS AND FAITHFULNESS:

THANK GOD I CAN SHARE IN HIS MERCY.

I PRAY TO GOD THAT HE WILL BLESS THIS, HIS MINISTRY AND THAT MORE SUCH MINISTRIES MAY ARISE, SO THAT NO MORE A FEW WORKERS WILL HAVE TO SHOULDER EVERYTHING: HEARTFELT THANKS TO GOD. THANK YOU MARTIN, BECAUSE YOU'RE THE HEAD. THANK YOU, DANA, THAT YOU HAVE MADE YOURSELF AVAILABLE FOR GOD ENTIRELY. MAY GOD REWARD YOUR COMMITMENT AND DEDICATION. THANK GOD FOR JESUS, THANK YOU, JESUS, FOR YOUR LIFE, THANK YOU HOLY SPIRIT THAT YOU'RE STILL HERE. YOU ARE, YOU WORK AND YOU ARE STILL HEALING: AMEN
YOURS GRATEFULLY, CHRISTINE G.“

9.) A powerful testimony of a faithful service participant

A middle-aged woman suffered from severe anxiety. I cared for her for years. She regularly attended our worship services for years. Her difficulty was strong fear to go out alone, in the midst of other people, to ride a bus or train alone, to go shopping alone.

These fears began following a certain incident. Many years ago, she was in hospital for some time.

There she prayed and she then found us. Since then she has received prayer and she gained back the ability to go out alone and go shopping alone.

Well, since April 2019, she's participating in an integration program. Now she can get up early and ride the bus alone, then walk alone (approx. 30 minutes) to her new job. She is now in a position to start a job and participate in life again. Honor and thanks and praises be to Yah!

The Lord delivered her from strong fears, diseases, and from dispositions to get serious illnesses like cancer and others, from metabolic problems, diabetes, from destroyers of the thyroid glands and from demons of weakness and much more. Glory and praise and thanks be to God, the Almighty! I do not write that she is completely free now of all that, because deliverance is a process.

However, she is on the right track and has been released of many things, which had shown up in the past much more strongly.

We prayed for her whole family. At first, she attended our service for years, broke away from false fellowship where the full gospel is not preached, went away and didn't compromise anymore.

She regularly learnt more about the true Jesus and about the true full gospel. She is an active intercessor and serves the Lord with it.

Additionally, now she is no longer the only one in her family who participates in the service: her husband and her two teenage children also participate via Skype bridging many kilometres between us. They learn, how God is working and this fact cannot be denied! The Holy Spirit touches people and breaks open hearts. God answers prayers!

God can make even the greatest skeptic convert and confess:

It's the POWER OF GOD, JESUS LIVES, HE HEALS AND DELIVERS.
Yah opens the eyes of the blind.

Dear reader, have patience with your unsaved and/or sceptical relatives. Pray for them and be a good example. God's living POWER can D R A W the biggest sceptic!
What is impossible to human beings (to want to convert others in the flesh!), IS POSSIBLE FOR OUR LIVING GOD!!!

Matthew 19,23-26: Then Jesus told his disciples, "I tell you with certainty, it will be hard for a rich person to get into the kingdom from heaven. (Note: Rich people in the world means even proud ones who think they can do everything without God; people who laugh at God and at Christians, etc., people who succeed in many things in the world.) But the disciples were terrified by these words. **„Again I tell you, it is easier for a camel to go through a needle's eye, than for a rich man to enter into God's Kingdom.” When the disciples heard it, they were exceedingly astonished, saying, “Who then can be saved?”**

Looking at them, Jesus said, “With men this is impossible, but with God all things are possible.”

THEREFORE: DO NOT GIVE UP YOUR UNSAVED RELATIVES! KEEP ON PRAYING FOR THEM.
DON'T PRESSURE THEM, BUT PRAY FOR THEM. BE A GOOD EXAMPLE FOR THEM AND P U L L THEM IN THROUGH THE LOVE OF GOD. Love covers up mistakes! See also Proverbs 10,12: *„Hatred stirs up fights, but love covers all transgressions.“*

Be patient.

Think of the testimony of our sister in Jesus, who prayed through for years as a lone fighter in her family and now all four family members take part in the congregation service. What a MIRACLE!

Please pray, that the LORD will set her free entirely from fear and weakness and inferiority feelings. Because healing and deliverance are a processes and the walk with Him is a way and takes time and patience.

Many fears left our sister of faith, but not yet all. Please pray for this whole family and for their parents and in-laws, too. One of the parental couples comes from abroad and God loves foreigners and cares for them. **Glory be to the Lord.**
