My testimony for Love of God Ministry

In summer of 2016 I was very ill. Nevertheless I visited a person, who needed my help. As I crossed the city square of Straubing by bike, I saw Dana and Martin Leistner sitting at the restaurant "Nordsee". As revealed later, God had sent them to this place to pray for me. I received healing and also deliverance!! God knew, that I would need it at this particular time, because my son Raphael was very ill and he needed my help as well. Through the Love of God Ministry it became now possible, to bring my son to my house in Straubing. Before, it would not have been possible for me to bear this big psychological burden. Thank you, Dana, thank you, Martin.

I am also participating regularly at the telephone meetings of this service. There also, till now not one single meeting has taken place, in which I was not blessed and delivered myself. We are praying for others and in the meantime God takes care of our personal problems. Dana put me on the ministry's prayer list because of my teeth. In September now I will go to Regensburg and there God will give me new teeth! Now, at first I only will have a denture, even if I would have liked it better that my natural teeth will grow again! God is just not fulfilling every wish, even if he could.

Even more important for me is the healing of my spine. Pain in my spinal chord disappeared after deliverance prayer and I have cast out many demons causing it, again and again,

during one whole year. Now success is apparent: For the first time in my life I am feeling well and life is a joy for me!

I was also healed and delivered of a wounded spirit. Now don't feel hurt again, when other people are treating me unjustly.

Thank you from my heart, that you take the time in every single telephone service to cast out evil spirits. Then, everybody has the possibility to switch of his microphone, so that the other participants are not bothered by the noise.

Continue like this, please! God give you everything abundantly and everything needed for this purpose!

One in the love of Christ,

Theresa Beigel

mein Zeugnis für Liebe Gottes Dienst

im Sommer 2016 ging es mir sehr schlecht. Trotzdem besuchte ich eine Person, die meine Hilfe brauchte. Als ich über den Schauburger Stadtplatz mit meinem Fahrad fuhr, sah ich Dana u. Martin Lischer beim Restaurant Nordsee sitzen. Wie sich später herausstellte, hatte sie Gott hierher geschickt, um für mich zu beten. Ich bekam Heilung und befreites Befreiung!! Gott wollte, daß ich es jetzt brauchen würde, denn mein Sohn Raphael war sehr krank und brauchte auch meine Hilfe. Durch von Liebe Gottes Dienst war es mir nun möglich, meinen Sohn zu mir nach Schauburg zu holen. Vorher wäre es mir nicht möglich gewesen, diese große psychische Belastung auf mich zu nehmen. Danke Dana, danke Martin.

Man nehme ich auch regelmäßig an den Telefon-Meetings teil. Auch dort war noch kein einziger Gottesdienst dabei an dem ich nicht selbst gegangt und befreit worden bin. Wie beten für andere und Gott kümmert sich um unsere Angelegenheiten.

Dana sah mich auf die beliebteste für Zähne. Im September darf ich nun nach Regensburg fahren und Gott schenkt mir Zähne! Vorher ein Gebnis auch wenn es mir Liebe gewesen wäre sie würden nachwachsen! Gott erfüllt eben nicht jeden Wunsch auch, wenn er es tun könnte.

Was noch wichtig ist die Heilung meiner Wirbelsäule, Schmerzen verschwanden nach Befreiungsgebet und ich habe die vielen Gebete hinausgeschossen. Immer wieder, das ganze

Jahre lang. Und jetzt sehe ich den Erfolg: Zum ersten Mal in meinem Leben fühle ich mich wohl, das Leben macht mir Spaß.

Auch vom verwundeten Geist wurde ich geholt und befreit. Nun bin ich nicht mehr verletzt, wenn mir andere Menschen unwohl tun!

Herzlichen Dank, daß Sie in jedem Gottesdienst per Telefon genügend Zeit lässt um böse Geister auszuheilen. Man kann dann das Mikrofon ausschalten, um die anderen Teilnehmer nicht zu stören.

Wird weiter so! Gottgebe Euch alles dazu interesse was ich benötigt!

in Jesu Liebe verbunden

2. A testimony

Christine, who participated regularly at our services, reports:

“I am writing these lines, to give God glory for his love that I have been experiencing through the Love of God Ministry. I have been powerfully blessed by your ministry.

First, I have been experiencing, how over the years, during which I knew this ministry, I experienced the love of God practically, through letters of encouragement and through a parcel for my provision when I was in a psychiatric hospital, also through both of them visiting me, even Dana alone was visiting me when my situation was worst and doing deliverance with me.

Never they came for chatting over a cup of coffee but to give practical help and love.

This is the kind of love, Jesus was speaking of when he said in Matthew 25:35-36

“For I was hungry, and you gave me to eat: I was thirsty, and you gave me drink: I was a stranger, and you took me in: Naked, and you clothed me: I was sick, and you visited me: I was in prison, and you came unto me.”

I want to thank God for His love and his goodness and his provision during all of this time and also for the ministry both of his faithful servants, that God called into life and which he has used mightily.

If this ministry would not have been there, I would have lost all of my courage and hope.

THANK YOU MY GOD AND MY JESUS, TO YOU BE ALL THE GLORY MY GOD.

At the moment, I am also in really difficult and demanding life circumstances and I again needed counsel and help from God again and this was done through Dana and Martin again. They ministered to me together to be more effective, because they complemented each other.

I feared God and ran away from him. I recognized, too, that I was hiding from God and I wasn't dealing honestly with Him. All the while I was very unhappy with this situation and so I gladly received the two of them as prayer partners. They prayed with me and led me – under the guidance of God's wisdom – to renounce an esoteric spirit and false doctrine.

Immediately I felt strong pain in my chest, in the area of the sternum. They cast out pride, anger and demons of false religion. Pride, who denies everything and discusses everything to death. Anger, defying pride and religious demons, who controlled and monitored me.

God told me through His ministers, that he is free, he doesn't force people and he is patient with them as well.

Through this, God delivered me peace by peace and showed me, in which inner bondage I had come by giving some religious person power and authority over me.

Isn't Abba good? 😊

Hallelujah, thank you heavenly father!

I was very thankful and I asked them, if I was admitted to participate in the service the next day also. This service took place today. I was expecting God to work powerfully there and I was deeply moved.

Today I manifested heavily as the Lord through Dana addressed my esoteric past, my dependence on religious people or spirit beings like Mary, on catholicism, alcohol, gluttony. Demons, even generational demons left me with screaming and crying as well as vomiting.

The Lord also addressed my fear of hell and my loneliness. Demons screamed. I had to vomit slime; afterwards I felt rather empty and exhausted, but I also felt more freedom. Besides this effect of the prayer God also blessed me with healing of hemorrhoid, which came into godly order again.

I think, this was the case because of diminished internal pressure.

Furthermore I received touches of healing at my ankles, feet and kidneys.

I thank God for calling this ministry into existence.

I thank Him for his mercy, for his love and for His faithfulness.

I also thank Him that he allows me to experience his mercy.

I AM PRAYING TO GOD THAT HE BLESSES THIS MINISTRY AND THAT HE WILL RISE MORE OF THIS KIND OF MINISTRIES, SO THAT ALL LABOR WILL NOT BE PUT ON THE SHOULDERS OF A FEW LABORERS.

THANK YOU CORDIALLY, LORD.

THANK YOU MARTIN BECAUSE YOU ARE THE HEAD.

THANK YOU DANA, that you've made yourself available for God ENTIRELY.

May he reward your dedication and commitment. Thank God for Jesus, thank you Jesus for your life, thank you Holy spirit, that you are still here and you still are healing people. AMEN."

YOURS THANKFULLY, Christine G.

ALL GLORY AND THANKS AND HONOUR BE UNTO THE LORD OF ALL LORDS. AMEN

3. What God is doing in ministry for Him

Some person wrote:

“God, I give you praises for what you have done in and through Love of God Ministry yesterday, which was the 21th of July 2017.

YOU HAVE DELIVERED ME of spirits of torture, illness and fears. YOU HAVE REDRESSED AGAIN THE TENT OF MY HEART (it had collapsed because of life circumstances and because of misunderstanding originating in a deeply rooted inferiority complex). Now I have new life perspectives again.

I AM ABLE TO READ THE WORD OF GOD AGAIN WITHOUT CONDEMNATION:

In the past this hardly had been the case.

Most of the time I had been under self-condemnation, I felt judged and wasn't able to get rid of it.

BUT JESUS CHRIST HAS THE LAST SAYING; HE DIDN'T FORGET ME: THANK YOU, JESUS.

HE HAS NOT FORGOTTEN US.

GLORY BE UNTO YOU, LORD. PRAISES BE UNTO YOU, MY JESHUA.

THANK YOU, HOLY SPIRIT.

THANK YOU; THAT YOU HAVE TAKEN MANY FEARS OUT OF MY LIFE AND THAT YOU CARE FOR ME SO I CAN STAND.

THANK YOU FOR WHAT YOU HAVE DONE AND THANK YOU FOR WHAT IS COMING, BECAUSE YOU ARE ALWAYS THE ONE COMING.

HALLELUJAH.

GOD, I PRAISE YOU AND I PRAY THAT YOU BLESS JAMES STANTON, Martin and Dana Leistner as well as many other ministers, who have raised and purify themselves to do your work.

THANK YOU, LORD, I THANK YOU FROM ALL OF MY HEART. AMEN.”

We, Dana and Martin, thank God wholeheartedly for all of these wonderful testimonies to His glory. GLORY, PRAISES AND THANKS BE TO THE Lord. THE ALLMIGHTY, THE CREATOR OF HEAVEN AND EARTH. AMEN.

4. God gives peace

Ferraro Mara schrieb: “Today I have been given great peace and relief of pain like more than for a long time past. Where physicians told me that there is little hope, God has given me new hope and faith, that everything will be well with Him.”

For this she is thanking God!

Glory be unto him! She also wrote the following: „Even without income I have always enough to eat!

“Honour be unto Him and unto you. Thank you”

Another TESTIMONY from Mara: **„I don't have anger and jealousy any more and I don't hear aggressive voices any more!“**

ALL GLORY AND PRAISES AND THANKS BE UNTO GOD, THE ALMIGHTY, THE CREATOR OF HEAVEN AND EARTH IN ETERNITY. AMEN.

The following are reports noted by ourselves:

5. Our postman is healed

Gelobt sei Gott. EHRE sei ihm!

Praised be the Lord. GLORY be unto Him!

Our postman, who has to lift heavy parcels upstairs at times, came to us one day and I asked him: "How is your back doing?" "Not fine!", he answered and he confessed, that he wasn't doing well going upstairs. We are also living on an upper floor, and there too, he has to go upstairs to come to us. This meant labor and pain for him. In his profession, it's very important to be able to go upstairs without problems or pain because at times he has to lift very heavy loads for his customers.

Moved by compassion I asked him, if he wanted prayer. Yes, he wanted prayer.

For better understanding I cited James 5:16, where the Bible states: "The effectual fervent prayer of a righteous man availeth much." He agreed.

So I put my hand on him and did, what was written: I prayed for some time in the name of Jesus and then commanded the lumbar spine and his sacroiliac joint to be healed.

The postman got unusually quiet and he took his time. He waited. I was amazed by his patience and by the fact he took so much time for some prayer in front of a house entrance. Many people, in a situation like that, tend to run away or to stop the prayer for fear or for other reasons. In this situation I realized that the postman got respect and reverence of the living God. Additionally I remarked, that his voice became more gentle than usual, when he started to talk. (Comment: He is a man who appears to be very strong and vigorous.)

Now, our postman humbled himself before God. This was my impression. So I awaited the working of the Holy Spirit and I took my time for prayer.

Joyfully, the postman thanked me and then he continued on his way.

Some days later, on Saturday, he joyfully reported to my husband Martin: „ **I am able to go upstairs without pain again!** ☺“ **He now had no more pain! HONOUR AND THANKS AND PRAISES BE UNTO GOD ALMIGHTY!** He rejoiced so much and his spirit was lifted, and he told us: „ **I am able to leap like a young calf again!**“ meanwhile rejoicing and wearing a bright smile ☺ over his whole face!

When he proceeded on his way again, Martin was amazed by hearing this powerful TESTIMONY!

Glory be unto the living God! Jesus heals and delivers. ALL Thanks be unto him! God is a God who is working miracles! AMEN.

6. Freedom, comfort and joy

Thank you, father, glory be to you, praises and thanks.

Some young woman was afflicted by much sadness. God gave us words of wisdom and revealed that this person also had neck tensions and pain at the back of her head. Additionally, God revealed, that she suffered from sleeplessness because of worries for her future. He touched the heart of this young woman. The Holy Spirit brought things to the light, which had been deeply hidden and which by reasoning naturally could not have been known and God revealed, that rejection from her earthly father in childhood and youth was the cause of her present problems. He healed and delivered this young woman in her heart and emotions and he also brought to the light, that there were kidney pains because of generational curses. Furthermore, God told me, that there was a demonic arrow in stuck in her back, aimed to cause a bent posture. All of this was true. The young lady confirmed all of that. When these words of knowledge were pronounced, the Holy Spirit worked very strong inside this person and he touched her deeply. She got delivered! Demons left her and the Holy Spirit took more room in her. **More light, more joy and more comfort of the Lord came.**

All glory be to the Lord! Thanks and honor and praises be unto him in eternity! Amen.

“Blessed be God, the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort,” (2. Corinthians 1:3).

After the prayer for healing and deliverance this young woman gave her written TESTIMONY: **FREEDOM, COMFORT AND JOY 😊. GLORY BE UNTO GOD!**

7. New freedom

God put into my heart to call some particular person. This person reported, that in the night, she heard the word: “death” repeatedly. By this issue, she had been tormented for months now. It had started shortly after the death of her mother.

Moreover she was in a difficult situation physically as well as emotionally. Therefore she needed help and support.

Martin and I prayed for deliverance with her and the Lord worked mightily. He opened her heart and she cried a lot. We commanded the spirit of death and other dark powers to leave her. The Lord delivered her. **Glory be unto him! He set her free from demons of suicide, spirits of death, fear of rejection, despair, hopelessness and others.** During the deliverance prayer this woman felt like she was being choked, and **God took out these dark powers.** Afterwards, she said, **she felt much more freedom and relief. She was much better! God can do miracles like that!**

THANKS AND PRAISES AND HONOUR Be TO the lord, our almighty god in eternity!

8. God refreshes people in a retirement home

The Lord gave the impression, to visit an elderly man who is solitary and who lives in a retirement home. So I went there.

He sat at a table with several other elderly people. So I prayed for him. Other people sitting at the table with him heard it and they listened, too. An elderly lady, sitting at the neighboring table got attentive and she wanted to listen, too as I was telling them of God. So I took her to our table, too. She enjoyed it. This resulted in a little service taking place at the elderly people's home! I gave testimonies of what the living God is doing and prayed for the sick by putting on hands and I read from the Bible, the Word of God. I prayed for the woman who had sat down at our table. **This elderly lady was powerfully touched by the Holy Spirit and started to cry.** I prayed for her heart. "You came exactly at the right time." she said and told me, that some of the staff of the place had bothered her and she felt hurt. I encouraged her to forgive them, which she did. The Lord opened her heart. **Healing anointing flew into her heart and into her soul.**

Additionally, for many years she had had pains in her neck and her cervical spine. She had difficulties to turn her head to the side and doing this there was some grinding noise. Besides that, she felt tensions in her neck. **After prayer** I asked her to move her head. Looking amazed, she said: "This is not possible!" **She told me, that the grinding had gone and her neck also felt relieved. She was doing better!**

Honour, praises and thanks be unto the Lord of all Lords!

Dana Leistner

We greet you all! Be powerfully blessed:

„The LORD bless you and KEEP you. The Lord make his face shine upon you and be gracious to you. The Lord lift up his countenance upon you and give you peace!“

*In the love of Christ,
Martín and Dana Leistner*
