Report

„MIRACLES HAPPEN!“

Here are some selected testimonies and reports of what the LIVING GOD is doing in our midst in day-to-day life.

A small insight into many signs and wonders and mighty deeds we have witnessed in the times past.

All glory be to our great God - to the Father, Jesus Christ and to the Holy Spirit!

Below, you will find some (originally hand-written) testimonies of our brothers and sisters:

Deliverance:

“Dear brothers and sisters!

I want to tell you what the Lord has done in the last months of my life. During this time I have come to know God's love, care and authority. He showed me the way out of a seemingly hopeless situation and I have experienced deliverance (in service with Dana). I have been freed from many burdens and bondages. The Holy Spirit was working.

I still have to learn to be quiet before God and some other things in order to get to know Him better and to experience how wonderful and fulfilling His presence is for me. I must learn to submit, to humble myself etc. This is a way, but I am glad to be on this way, to have come to this way and to be allowed to stay on it:

Bad Aibling

Dear Dana, dear Martin, dear readers,

*herewith I would like to honor God and to encourage you not to give up.
As some people know, I have had mental problems. But God is faithful in everything.*

He allows us to be chastened, but, Gloire à Dieu, glory be to God, he also provides the way out of it, for He is the Alpha and the Omega. He is the Lord.

I've got the great privilege of attending deliverance meetings (he who seeks shall find, who knocks, to him shall be opened, and to him who asks, it will be given). I came to them through guidance; God knows the hearts and He is merciful. Due to some circumstances I don't know when exactly I got in touch with Dana.

It is the love of God that I knew, that I recognized, understood and which I am so enthusiastic about: the presence of the Holy Spirit.

Yesterday, Thursday, 24th of august 2017, I also experienced God's love concerning my teeth and jaws. Dana mentioned various things, which she could not have known naturally, e.g. breathing problems, asthma and so on. ... problems with my kidneys, with the legs, hurting knees due to kneeling too long (wisdom, how long and whether one should kneel or stay kneeling, everything related to a religious spirit). She also spoke of arthrosis.

God is so good, it is getting better and better. What is so special about God's love is His accuracy, the love with which He encounters these things when we are ready to repent and turn from them. He is so tender, so loving and merciful.

TO HIM BE ALL THE GLORY.

May the Lord Jesus Christ bless you all with everything you need to be free. Read the Bible, allow to be corrected, humble yourselves so that He can give you healing. The word of God delivers. Jesus: John 8:31-32. Discover for yourself in what respect and how you are being held in captivity. I am in a process: God humiliates and chastises the arrogant and lifts up the humble. The hand of the Lord is not too short... it is our sins that hinder Him, but THANKS BE TO GOD, we are still in the time of the GRACE.

Seek God as long as He can be found. GOD THE FATHER; JESUS CHRIST; HIS SON AND THE HOLY SPIRIT MAY BLESS YOU WITH EVERYTHING YOU NEED: WITH HIS PEACE AND WITH A POWERFUL ENCOUNTER WITH HIM, SO THAT YOU, TOO, SERVE HIM.

Giving is more blessed than just taking. merely receiving blessings brings poverty.

*God bless you!
Cordially,
Christine."*

Subsequently, an e-mail WITNESSING some things a sister in faith has experienced through our ministry for God:

----- Glory and praises to the Lord! -----

*"Hello Dana,
yesterday (Wednesday) I was delivered from curses you mentioned. I often read Torah portions (see list) in the course of the year. (The list of "First Fruits of Zion" contains texts from the Gospels, too, for it is compiled by jewish believers in Jesus). Last week, I wasn't able to read the portion of "Ki Tavo" - "when you enter (into the promised land)" (translated meaning), because I was afraid of the curses in it.*

***When the deliverance took place, I had to spit hard when "madness" and "blindness" were mentioned. Thank you, Yeshua!!!!!!!!
God is sooo good!!!***

Sara H. "

Hallelujah! Our GOD is good!

Salvation:

Salvation of two young foreign children in the city

As the sun shone and Martin and I went for a walk together, we met two little children. They were about six and eight years old.

Both listened attentively while the joyful message of JESUS was preached to them. They didn't know Jesus. Certainly their parents were Muslim.

But for God, this is NOT A BARRIER. The Holy Spirit worked in their hearts and joyfully they accepted JESUS as their Lord and Redeemer. Happily continued walking their way.

THANKS AND HONOUR TO OUR LORD!

**GOD IS A GOD WHO DOES WONDERS! HE HEALS AND HE DELIVERS! AMEN and HALLELUJA!
JESUS LIVES!**

He still saves people today!

"My ice cream melted in the wafer, meanwhile a girl was saved! 😊

Anna-Lena was saved on the street, while eating ice cream. She walked towards me. The LORD had

sent her. In this moment I was just waiting for Martin. He got us some ice cream, while I was waiting in the car. Then I noticed Anna-Lena, a girl I didn't know. But God knew her. I opened the car's door

and began to preach to her about the FULL Gospel. Meanwhile, Martin had come again with the delicious ice cream. 😊. God worked and so I did my work for him, because now, in this moment, there was this anointing to preach on the street. And the Lord opened Anna-Lena's "ears". 😊. It would have been very unfortunate to interrupt this anointing.

The girl received JESUS as her LORD and SAVIOUR and as her HEALER and DELIVERER and gave HIM her LIFE. Then I prayed for the filling with the Holy Spirit. She was filled with the Holy Spirit and immediately began to pray in her new prayer language.

HONOUR and THANKS to the LORD for this encounter and for this event!

Anna-Lena reported that during the prayer she felt a tingling in her belly and she felt **JOY** 😊.

"That's how good OUR GOD is!"

Happiness

A 21-year-old boy was saved out in the countryside, as we were on a walk. He heard and joyfully received Jesus into his heart. He then confessed: "I sense a feeling of happiness inwardly and also the certainty that the words, you told me, are right."

In front of a supermarket

Are you ready?

Are you ready to put your own businesses last? It's worth it!

Two little boys stood in front of a supermarket. God gave into my heart to speak to them and to preach JESUS to them.

In suspense and curiously, they listened. As a consequence, they received Jesus Christ as their Lord and Savior into their hearts. **Praise, thanks and honour be to the Lord.**

Healing And Then Salvation! ☺:

Lumbar spine

An elderly man is suddenly healed and he experiences a MIRACLE.

This senior had severe pain in his lumbar spine after a fall. Following prayer for him in the elderly people's home, the pain was gone completely and permanently! Then God opened his ears and after the following "private" preaching of the Good News he accepted JESUS CHRIST as his Lord and Savior.

Thanks be to Jesus! Glory be to our Father in heaven.

A God, who is doing MIRACLES!

This elderly man, Carl T., is over 90 years old. He said, that he'd never thought that he'd believe in something like this and walk this path ever! Before, he had never dealt with this subject and he had never been drawn to it. So he had got something like a wall against it. Nevertheless, God can blow up walls!

The Lord was pointing me to this man, who was a widower. On the street, when he was walking with his rolling walker I prayed for him and I accompanied him. Later on, I repeatedly visited him in his retirement home and gave a Bible to him. One day, he had the above mentioned strong pain after a trauma. The Lord wanted to use this event to bring him closer to himself. **Thanks be to the Lord!**

Please pray, that he will continue to experience God's guidance on this path, also for his baptism and that Carl will remain in Jesus Christ and following him. Thank you.

Inherited Spasticity

What God's doing!

Some young man in our neighborhood has been disabled since birth. For years, he suffered from spasticity of his right body side. He received PRAYER. Afterwards, he took some steps "as a test".

Now the difference before and after prayer in the name of Jesus Christ: "It's easier! My body now feels more relaxed" he stated resolutely.

Again, he received PRAYER including laying on of hands. As it says in the Bible, in Mark 16:17-18: *"And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."*

Afterwards he tested it again and he walked a few steps. Furthermore he also received PRAYER with laying on of hands especially for his legs and for his lumbar spine.

His reaction then: **He felt a clear improvement!**

GLORY AND PRAISES TO OUR GREAT GOD IN HEAVEN!

Martin and I then prayed again for his balance, for his cervical spine and for his neck. Again, he confessed joyfully and in amazement: **"It has become better!"**

"Glory be to God and THANKS BE TO HIM forever. He is a LIVING God who is DOING MIRACLES!" 😊 and IT IS TRUE (Hebrews 13:8): "Jesus Christ is the same yesterday and today and the same forever."

Like GOD healed yesterday, he is doing it today and he wants do it tomorrow, too, just until the end of ages. 😊

If you believe in JESUS Christ in your heart, pray FOR THE SICK. Like it is written in the Bible in Mark 16:18.

"YES, YOU CAN BE THE ONE WHO GIVES NEW HOPE TO SOMEBODY AND YES, YOU CAN BE THE ONE WHO PROVIDES A RAY OF LIGHT TO SOMEBODY THROUGH JESUS CHRIST, OUR LIVING GOD!" BECAUSE, "WHAT IS IMPOSSIBLE WITH MEN, IS POSSIBLE WITH GOD." 😊 (The Bible, Luke 18:27)

Headaches

Prayers

Karin's had a headache for several days. She already woke up in the morning with pain.

After PRAYER ON THE PHONE, the pain was completely gone!

→ The Bible: James 5:16: "The PRAYER of the righteous avails much if it is serious."

This applies to every upright believer!

Back ache, lumbar spine pain

Dishwashing is possible again!

Some prayer followed. After that, the woman had NO more pain. PRAISE AND THANKS BE TO GOD!

She was now able to move painlessly into bending and rotation, which hadn't been possible previously without pain.

K. reported, that before PRAYER, she had pain while washing dishes. Now the pain was completely gone! 😊 That's wonderful!

THANKS AND GLORY AND PRAISES BE TO THE LORD, THE ALMIGHTY, THE CREATOR OF THE HEAVEN AND EARTH. AMEN.

Nose

Nosebleed finally gone!

"Nosebleed's all gone!" some woman conceded. God healed a woman while praying on the phone! To GOD be all the glory and thanks and praises in eternity!

"Please give thanks and praises to God!"

Hips, back and knees:

Anointing flows

God put in my heart to talk to a limping woman in the zoo.

I asked her, if she had hip trouble. Surprised, she answered "YES" and inquired, how i did know that. I told her that I was a physical therapist and therefore I had recognized it. Then I testified my faith in the living God to her and told her: "The one created you is also capable of bringing recovery to you!" "YES, I believe that, too", she replied hopefully.

"I can pray for you", I said. "Would you like that?" "YES", she answered. But shortly after she agreed to be prayed for, fear came up in her. So she asked me, how I would do that.

"There's a lot of people out there," she told me, "who believe in different things. Many just pray to anything."

"I will pray for you in the name of Jesus", I stated boldly.

Now she was reassured and had peace.

So I prayed for her two hip joints and her back.

The impact therof was amazing!

She clearly felt the power of God in her back, she confessed. Thanks to God! I prayed for her eyes, too. Afterwards I prayed for her husband's knees, for he also wanted prayer. During prayer, he clearly felt anointing power coming to his legs; this was the stream of God. In the Bible, it says in John 7:38 "He that believes in me, as the scripture said, out of his womb shall flow rivers of LIVING WATER." And these currents are felt by the persons for whom you are praying in the name of Jesus.. ☺

Afterwards, the man testified joyfully: "My knees feel better and lighter after the prayer. Now I am able to move my right knee better!"

Praise and thanks be to the living God. For from Him comes the power to heal, the POWER to liberate captives and, of course, also to "revive the dead".

**Glory be to the LORD, who created heaven and earth, forever and ever.
Amen.**

We have a God who is doing **MIRACLES.**

Back, leg and arms: touched by the LIVING God

God meets everyone where he is!

Spontaneous PRAYER in Zwickau downtown in front of the university, shortly before leaving by car. It was on a Sabbath. God told me to pray for this woman he showed me. She just walked past me with her husband. Martin and I were standing next to our car. "Can I ask you something?", I said. "Yes", she answered. "Do you sometimes have pain in your right lumbar spine?" I asked. The woman looked at me and said: "YES", in astonishment. "You know, I believe in the living God and I am a little old-fashioned in this respect, because I believe in the Bible and that what it says is true. It is written, that 'those who believe', and this is me, 'lay hands on the sick, and then they shall recover'!"

Well, do you want me to pray for you? It doesn't hurt and it doesn't take long either", I told her. Again, she looked at me. So I didn't wait any longer, but taking advantage of the moment, immediately put my hand on her back and began to pray for her. God gave me a word KNOWLEDGE, **glory and praises be to him:** "Root syndrome", he told me. This was correct and exactly applied to the woman, she testified. "Does the pain radiate as far as to your toes?" I wanted to know. "Yes", she said and looked at me in amazement. So I prayed and prayed and then commanded the pain to go.

Afterwards, by God's assignment, I prompted her to take a few steps on the sidewalk, which she did. This took place in the middle of the city (as a TESTIMONY!). Her husband also was present. **She confessed that she felt more relaxed and lighter now.** Beaming, she smiled at me again in amazement. I asked her, if she felt any difference.

Radiantly, she stated: "I am feeling relieved and lighter." Now I was amazed, namely about what our great GOD did to her! I had joy and so did she. ☺

She moved her arms high into the air in astonishment beaming all over her face, looked at me and said, "It's like I don't have arms anymore!" **So light she felt.** Then I asked her: "Did you have any problems in your arms before?" "Yes", she replied. So the LORD had also taken these away. Again, God gave a word of KNOWLEDGE and supernatural understanding for her problems and for the connections between them. She confirmed it accordingly. **THANKS AND PRAISE AND HONOUR TO THE LORD!** Then I prayed against radiance of pains from the cervical and thoracic spine into her arms. **This time, too, the LORD worked precisely in this specific body area, and she confessed, that it felt better, easier, and more relaxed afterwards.** **Hallelujah, praise be to God in the highest! He is powerful, he is worthy and NONE is like Him.**

The woman also told me, that TODAY was her BIRTHDAY. "That's strong", came out of my mouth. I was amazed of what the LORD was doing. Oh, the LORD opened her heart. **She rejoiced ☺ so much!** God did that!!! **Human beings can't create such encounters, but they come FROM THE LORD.** He's SOOO good to us! **Let us rely on Him! He WILL NEVER DISAPPOINT US!!!**

That day, she became 72 years in age. She had been through a lot in her life, she told me. Now I knew that this prayer and to address the living God was so important for her! God gave me the following verse for them on their way:

"JESUS CHRIST is the same yesterday, today and in eternity." (Hebrews 13:8).

----- GLORY TO THE LORD -----

THE LORD IS WORKING MARVELOUSLY. SIMPLY STRONG!
1. Cor. 4:20 "For the kingdom of God is not in words, but in power."

"That's how good OUR GOD is!"
